

Lithium Ion

Replacement Battery for MC70 Series Scanners

We offer a high capacity Lithium Ion replacement battery for Motorola (formerly Symbol) MC70 Series scanners.

The batteries are manufactured with the highest quality Japanese cells and have proper safety circuitry. We manufacture our products with high quality durable plastics for the case that will withstand a one-meter drop onto concrete.

Our batteries are guaranteed to be free of defects in materials and workmanship and to maintain at least 80% of rated capacity for 12 months.

* Motorola, Symbol and other trademarks are the properties of their respective companies.

Features & Benefits

- » **Operational time** ≈ 8 hours
- » **High capacity** 4000 mAh
- » **Rechargeable up to 300-500 times, greatly reducing the waste stream**
- » **Compatible with all MC70 series wireless terminals**

Product Details

Model Number	ACS70-Li40
Shipped From	USA
Single Pack	Box
Number in Carton	50
Master Carton Size	13 3/4 in x 12 in x 10 in
Shipping Weight	18 lbs

Technical Specs

Battery Chemistry	Lithium Ion
Capacity	4000 mAh
Operating Voltage	3.7 V
Weight	88 g
Operating Temperature	0°C to 50°C
